Unmistakable Styling

Bold looking from every angle, the all-new Trax demonstrates that modern, stylish design does not have to come at a premium.

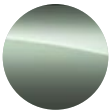

- Sleek horizontal lines emphasize the vehicle’s width and are designed around the lines of the iconic Chevy Bowtie at the center of the grille
- Strong “shoulders” in the body contribute to a taut, muscular presence and planted stance
- Slim, Blazer-inspired forward lighting features all-new LED elements

Tech-Forward Interior

Trax's interior was designed to have a lightweight feel, achieved with sweeping lines and light, technical cues. This emphasizes the vehicle's width and create a sense of airiness — all enabled by the vehicle's longer and wider platform.

- Low instrument panel enhances outward visibility and contributes to the feeling of airiness, while a technical texture pattern sweeps across, adding depth
- Signature round vents take inspiration from other recent Chevy performance vehicle designs
- Display screens are the centerpiece of the tech-forward design, with the infotainment screen canted slightly toward the driver, for more intuitive control
- Center console with ergonomically optimized shifter location
- An electronic parking brake opens up more storage space in the console

Comfortable and Capable

Designed to help keep your customer's cargo secure and their passengers comfortable, Trax combines head-turning looks with impressive capability.

With up to 54.1 cu. ft. of cargo space¹, customers will have plenty of room for everything they need for a day of recreation or a cross-country getaway, while three inches of additional rear-seat legroom (when compared to the previous model) help make it a comfortable ride for everyone.

Its 1.2L turbo engine makes Trax fun to drive, and with an EPA-estimated 30 MPG combined fuel economy² that fun will have fewer stops.

¹With rear seats folded. Cargo and load capacity limited by weight and distribution. ²Based on EPA testing.
